George McClellan is a partner in the firm practicing in the area of complex commercial litigation. With diverse experience in complex commercial class action litigation, a significant portion of his practice focuses on managed care litigation, dispute resolution, and regulatory compliance as well as complex insurance coverage issues and disputes, and enterprise-wide electronic data analysis and retention.

George has led numerous teams of attorneys and consulting agencies in analyzing electronic data and developing legal strategy in high-profile class action litigations and state and federal investigations for Fortune 500 companies in a wide array of industries with billions of dollars in potential liability. George has a breadth of experience in various insurance industries, including health, cyber liability, workers' compensation, commercial general liability, and errors and omissions.

In addition, George has counseled numerous Fortune 500 companies regarding how to manage their records and technological infrastructure. He has developed multiple-tiered electronic discovery response plans and record retention policies and schedules for numerous companies. George also has trained companies in implementing and enforcing record retention policies.

George is admitted to practice in the State of New Jersey, the Commonwealth of Pennsylvania, the United States District Court for the District of New Jersey, and the United States Court of Appeals for the Third Circuit.

Professional Experience

George was a senior associate with the international law firm Morgan, Lewis & Bockius, LLP from 2003 through 2010 where he practiced nationally in the area of complex class action commercial litigation. George previously practiced with a renowned boutique firm in Princeton, New Jersey that focuses on complex coverage disputes. George previously served as a law clerk in the Superior Court of New Jersey Appellate Division and Chancery Division.

Education

George earned his bachelor's degree, summa cum laude, in philosophy (with a dual minor in mathematics and economics) from Saint Joseph's University in Philadelphia, Pennsylvania. George earned his juris doctorate from the College of William and Mary.
